APRIL : FRIDAY APRIL 22, 1983
8 PM
PHOENIX COLLEGE ROOM C-102 (usual place)

CHARLES CAPEN
LOWELL OBSERVATORY, FLAGSTAFF

"MARTIAN ENCOUNTERS OF THE BEST KIND"
also show & tell of latest RFT's & PLOSSL's

A specialist in planet observation from the center of planetary observations, Mr Capen should provide an interesting and informative program.

ELECTION: April is also election time. Nominations are:

President:	Stanley Gorodenski
Vice- Pres:	Raul Espinoza
Sec-Treas:	???
Editor:	William Krist
Director:	Louis Boyd

Volunteers for Sec-Treas. which will not involve the meeting notices, should contact Elanore Nash @ 242-1581 . Don't wait too long or the opening may have been filled.
Jayne Byrne wanted to be a write-in but was inelligible as she wasn't a paid-up member.

With a hotly contested office like this, maybe we can beat the 80+ % turnout they had in the Windy City. Better arrive early for time to interview all the National Media that should be covering this event.

APRIL 23: ASTRONOMY DAY *51 & BOOTHMAN*
Zoo City PAPAGO PARK & GLENDALE to have presentations. See the newspaper for details. *C. P. K. SETUP*

MAY 28: ASTEROID OCCULTATION. IOTA (Int'l Occultation Timing Ass'n) looking for helpers to define size, shape & position of a large asteroid by timing it's shadow over a large area. A chance to advance science. Contact Pete Manley @ 966-3920.

MAY: KITT PEAK TRIP CANCELLED. See meeting notice next month for May meeting details.
